Orders and delivery

How long does delivery take?

Metro cities: 3 to 5 business days. Other locations: 5 to 10 business days. You will get a tracking link by SMS and email once your order ships.

Is shipping free?

Shipping is free on orders of Rs. 999 and above. Below that, a flat fee of Rs. 79 applies.

Can I cancel my order?

Yes, before it is dispatched, for a full refund. After dispatch it cannot be cancelled; you can refuse delivery or return it once it arrives.

Can I change my delivery address?

You can change the address before dispatch from My Orders. After dispatch, contact support; we will try with the courier but cannot guarantee it.

How do I track my order?

Open My Orders and tap Track, or use the link in your shipping SMS or email.

Do you deliver outside India?

Not at the moment. We deliver across India to most pin codes; enter yours at checkout to check.

Payments

Which payment methods do you accept?

UPI, debit and credit cards, net banking, popular wallets and cash on delivery.

Is cash on delivery available?

Yes, for orders up to Rs. 5,000, with a Rs. 49 COD fee. COD is not available on some pin codes.

My payment failed but money was deducted. What now?

The amount is usually returned to your account automatically within 5 to 7 business days. If it is not, email us the transaction ID and we will check.

Returns and refunds

What is your return window?

10 days from delivery for most items, 7 days for personal care and sale items. See the Refund and Return Policy for details.

When will I get my refund?

5 to 7 business days after the returned item passes quality check for UPI and cards, and 7 to 10 business days for COD orders. Store credit is instant, with a 5% bonus.

Can I return a sale item?

Yes, within 7 days of delivery, if it is unused and in original packaging. Items marked Final Sale cannot be returned unless damaged.

My item arrived damaged. What should I do?

Report it within 48 hours of delivery with photos of the item and the outer box. We will arrange a free pickup and give you a replacement or full refund.

Products and warranty

How long is the warranty on the Brew Smart Kettle?
12 months from delivery, covering manufacturing defects. It does not cover limescale or damage from drops.

How often should I descale the kettle?
Every 4 weeks, or every 2 weeks if your water is hard. Use citric acid or white vinegar.

What does the E1 error mean?
The kettle has too little water. Unplug it, let it cool for 10 minutes, fill above the MIN line and restart.

Is the kettle safe for baby formula?
You can boil water in it, but let the water cool to a safe temperature before preparing or serving formula.
